Allowance

1. Claims 1, 6-8, 11, 20, 25-27, 30-64, 67-69, 71-73 and 77-80 are cancelled.
2. Claims 2-5, 9, 10, 12-19, 21-24, 28, 29, 65, 66, 70 and 74-76 are allowed.

Reasons for Allowance

The examiner has found that the prior art of record does not teach, suggest, or render obvious the specific combination of a method for presenting a user media segments in an order selected by the user, comprising: displaying, on a second page shown on the display device, one or more additional first indicators each representative of a respective one of the plurality of information segments selected from the database during the search, in response to a selection by the user of an option, on the first page, to display additional first indicators (claim 65 – major difference in the claims not found in the prior art), or displaying in the third region, in response to each selection of a descriptor, a first indicator comprising at least a respective text indicative of the respective video file corresponding to the selected descriptor, the first indicators being displayed in a sequence corresponding to an order in which the descriptors are selected by the user (claim 66 – major difference in the claims not found in the prior art) as set forth in the specification and recited in independent claims 65 and 66, respectively.

Art Unit: 2446

4. For these reasons, in conjunction with the other limitations of the independent claims, put this case in condition for allowance.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”

Art Unit: 2446
